About This Game

THE NEW FANTASY ACTION RPG. Rise, Tarnished, and be guided by grace to brandish the power of the Elden Ring and become an Elden Lord in the Lands Between. In the Lands Between ruled by Queen Marika the Eternal, the Elden Ring, the source of the Erdtree, has been shattered.

Marika's offspring, demigods all, claimed the shards of the Elden Ring known as the Great Runes, and the mad taint of their newfound strength triggered a war: The Shattering. A war that meant abandonment by the Greater Will. And now the guidance of grace will be brought to the Tarnished who were spurned by the grace of gold and exiled from the Lands Between.

A vast world where open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected. As you explore, the joy of discovering unknown and overwhelming threats await you, leading to a high sense of accomplishment.
